Danish Sheikh is a renowned charisma coach. His work has been extensively covered in leading media publications of India and the Middle East such as Gulf Business, Yahoo!, Outlook Business, The National, Gulf News: Friday and Mid-Day.

He has delivered a TEDx talk titled, 'THN: Largest Social Network in the World' at one of the largest TEDx events in Mumbai, India.

In late 2015, Sheikh expanded his operations to the Middle East and founded a training consultancy company headquartered in Dubai.

Danish Sheikh has over 12 years of corporate work experience with Lionbridge, Microsoft, Yahoo! and The Nielsen Company at various managerial levels. He holds the record for being the youngest International Product Manager in Yahoo's history.
