
ESTHER WONG

LONDON
SPEAKER
BUREAU

- **Founder and CEO of 3Capital Investment, a venture focusing on AI-driven opportunities**
- **Former Managing Director of SenseTime**

Esther is the founder and Chief Executive Officer (CEO) of 3Capital Investment, a venture capital firm with a focus on AI-driven global opportunities.

Before launching her venture, she was among the founding members of SenseTime, one of China's largest AI software companies, where she spearheaded the establishment of the strategic investment and capital markets teams. During her tenure at SenseTime, she successfully raised over USD 5 billion and led several key investments and collaborations with strategic partners both domestically and internationally. She played a pivotal role in implementing AI applications across various industries, including robotics, education, and healthcare.

Topics
