
TREMAINE DU PREEZ

LONDON
SPEAKER
BUREAU

- **Executive Coach and Critical Thinking Expert**

Tremaine du Preez is the founder of the Coaching Club, a behavioural economist, author, executive coach and lecturer in critical thinking.

Before moving to the UK in late 2015 she spent 12 years in Asia coaching executives and lecturing in leadership, decision science and critical thinking to multinational organisations, government agencies and on MBA and undergraduate programs.

She is also a member of the global faculty of Duke Corporate Education and, previously, adjunct professor at SP Jain Global School of Management, lecturing on both the undergraduate and MBA programmes. In 2009 she designed the critical thinking training programme for the Monetary Authority of Singapore (Singapore's Central Bank), which she facilitated until moving to London.

She is author and co-author of 4 books. Her latest book *Raising Thinkers – Prepare your Child for the Journey of Life* is out in 2016.
